BENCHMARK

In this catalogue We are sure you will find the right garments for your needs in this extensive catalogue featuring a wide choice of styles and fabrics offering lifestyle and work clothing performance and functionality.

Each label offers the best combination of styles and fabrics, quality, value, and customer satisfaction in the particular segment of the promotional, work wear, sporting and corporate market it addresses.

Work or leisure, comfort or safety, you will discover the benefits offered in our superior performance fabrics, elegant and functional corporate co-ordinates, yarn treated moisture wicking materials, ultra violet protection, Hi Visibility garments, and wet weather protection; you can have confidence that our products will look good, and perform just as well, where required, all our garments have been certified to meet the relevant AS/NZS standards.

All of our products are designed with decoration in mind. Our apparel, as well as our bags and caps, have been designed with decoration in mind. We also offer a high quality, cost efficient **In-house Decoration Service** with over 1,000 heads of embroidery machines, state-of-the-art screen printing, digital tranfer print and Direct to Garment printing facilities.

Corporate Social Responsibility and giving back to the community Winning Spirit, AIW and BENCHMARK continue to sponsor the valuable work of the Victoria Police Blue Ribbon Foundation, and support their work in perpetuating the memory of Victorian Police members killed the line of duty, and their continuing financial support to Hospital Emergency departments and Child Protection units.

ICONS AT A GLANCE

Specially treated fabrics provide protection against solar ultraviolet radiation.

Garment is constructed with high visibility fabrics to increase job site safety.

Garment is constructed with high visibility fabrics to increase job site safety.

Features durable construction and is made of long lasting-fabric.

Garment is constructed with water and wind barriers for maximum resistance.

Special fabric finishes block moisture from penetrating garment.

Special fabric finishes impede moisture from penetrating for a period of time.

Garment can be worn on both sides

Garment is constructed with a wind barrier for maximum wind resistance.

Fabrics are engineered to stretch, providing extra comfort and flexibility

Garment can be machine washed and requires little to no ironing.

Garment is constructed from specially treated Yarn for moisture wicking to make you feel dry.

Special yarn or fabric finishes maintain constant internal body temperature.

Natural properties of the yarn provide anti-bacterial protection.

Natural properties of the yarn absorb and decompose odours, thereby garment smelling fresh.

Garment is constructed from special fabric with the quality of quick drying.

Technical finishes of fabric allow moisture to be transferred from inside to the outside of the garment.

Airflow vents cooling system removes sweat and body heat through airflow vents.

Garment has moisture wicking, anti-bacterial, and de-odorized treatment.

Garment is made of Cotton. Cotton is soft and comfortable. It is hypoallergenic and does not irritate sensitive skin.

Garment is made predominantly of Cotton with the addition of stretchable material for extra comfort.

DuPont™ Teflon® provides durable, long-lasting protection against oil and water-based stains, dust and dry soil.

Made from reinforced CORDURA® Brand Fabric for added durability, felled seams with multiple stitching for increased strength, and reinforced pockets.

Soft shells are lightweight, abrasion-resistant garments, that provide warmth, breathability, and wind resistance without a lot of bulk.

Bamboo Charcoal material embedded with nano particles for de-odorizing, antibacterial, anti-charg buildup, breathability, and durability.

CoolDry® integrates the comfort of cotton and quick drying function of polyester. It features moisture absorbing, quick drying, breathable, and light weight.

TrueDry® has Cotton added for extra comfort and reduces skin irritation. It still has the quick drying, breathability and light weight qualities of CoolDry®

Benchmark Fitting Guide for Men

A. Neck

The measurement is taken around the neck, at the collar level.

B. Chest

The measurement is taken around the fullest part of the upper chest, keeping the tape under the arms and around the shoulder blades.

C. Waist

The measurement is taken around the waist, keeping one finger between the tape and the body, for a comfortable fit.

D. Inseam

Measure from the top of the inner pant leg seam (the crotch) to the opening at the bottom of the pant leg.

E. Sleeve

Measure the length from the top stitching on the shoulder to the bottom of the wrist. Be careful not to measure too high above the wrist.

Benchmark Fitting Guide for Women

A. Bust

The measurement is taken around the fullest part of the bust, keeping the tape under the arms and around the shoulder blades.

B. Waist

The measurement is taken around the waist, keeping one finger between the tape and the body, for a comfortable fit.

C. Hips

The measurement is taken around the fullest part of the hips, while standing naturally (approximately 22 cm down from the waist).

WORKWEAR & SAFETYWEAR

Safety is our number one priority!

AIW has become a preferred brand within the tough workwear industry, offering top quality, great value, reliable stock, and great customer service. All AIW products are manufactured from laboratory tested fabrics and treatments that conforms with AUS/NZ Standards. This is to ensure that the comfort and wear of AIW products are of the highest standard, and are suitable for the harshest working environment.

AIW quality workwear is available in “traditional” and “modern” styles that deliver comfort and protection at affordable prices. All AIW workwear is designed to provide comfort and durability for active working people and their “real” needs. AIW workwear also offers tear and abrasion resistance fabrics with re-enforced pockets and stitching to provide the most durable workwear suitable for any challenge. Where required, all AIW garments have been certified to meet the relevant AS/NZS standards.

• AS/NZS 4602.1:2011

These AIW garments are designed to meet AS/NZS 4602.1:2011 for day and night visibility. This standard requires at least 0.2m2 of high visibility fabric (AS/NZS 1906.4:2010) on the front and on the back to meet the day and/ or day/ night standard. Garments designed to AS/NZS 4602.1:2011 for Day/ Night or Night Standard have a compliant retroreflective taping configuration.

• AS/NZS 1906.4:2010

We use High Visibility materials which are tested to Australian Standard 1906.4:2010 which outlines the requirements for fluorescent capabilities and the chromaticity reading to ensure that bright colours are within the required colour range.

• AS 2001.2.18-1987

Some of AIW garments have water-repellent or water-resistant coating which stops moisture from reaching the wearer in wet-weather conditions.

• **AS/NZS 2622:1996**

AIW workwear garments meet the requirements of AS/NZS 2622:1996 which outlines the Australian Standard for labelling of fibre content in textile products.

• **AS/NZS 4399:1996**

AIW workwear garments provide protection against ultraviolet radiation transmitted from the sun. The sun protection rating shown is rated at: good protection (UPF 15, 20), very good protection (25, 30, 35) or excellent protection (40, 45, 50, 50+).

• **AS/NZS 1020:1995**

AIW products reduce the amount of static electricity your body conducts by offering a large range of natural cotton fibre products. Our 100% cotton workwear naturally avoids the generation of static electricity.

IN-HOUSE DECORATION SERVICES

Embroidery

Direct To Garment Print

Digital Transfer Print

Embroidery, Screen Printing, Direct To Garment Print, and Digital Transfer Print all under one roof.

Screen Printing

In-House Decoration ADVANTAGE

When you need it fast, simply refer to our large range of readily available stock for all the products shown in this catalogue. We can complement your unique style with our in-house state of the art facilities of decoration on garments - Embroidery, Screen Printing, Digital Transfer Print and Direct to Garment Print.

We have over 1,000 heads of modern embroidery machines which not only assist us in ensuring that your product is the best on the market, no job is too big or small for us. We use high quality embroidery threads which retain its appearance for the lifetime of the garment. As a result, our embroidery always looks professional and stands out from others on the market.

Take advantage of our modern setup of printing which enables us to use a variety of techniques for decoration on garments in line with your exclusive design requirements. Our set of printing machines is inclusive of Screen Printing, Digital Transfer Print, and Direct to Garment Print. This allows our clients the freedom to use printing as their decoration to present their top quality brands without any compromise in quality and in the most cost effective way. Printing allows large decoration coverage of multiple branding. Printing is a good option on both light weight and heavy weight fabrics such as Sports Bags. Printing offer benefits such as being modern and cost effective in both first run and repeat orders.

To present your final product in a professional way, take advantage of our folding and bagging service. We provide exceptional short turnaround times for this service in both our Embroidery and Printing divisions.

Custom Made INDENT ORDERS

Take advantage of our **CUSTOM MADE INDENT ORDERS** and create a completely customised product to suit your style and budget. Its easy, just give us your brief of the style that you are after. We will provide you with a quote / and a visual if required. After approval of the quote a sample is produced to make sure everything is correct. Final production is followed by the sample approval.

If you can not find your style colour or fabric, you may send us a sample of your current design for assessment and quote.

FIND YOUR BEST SIZE FIT

Finding a fit that suits your body is very important as it not only helps in comfortable but also makes your figure look great. If you want to choose the correct fit that suits your style or flatter your body shape, then below chart will help you to choose from Slim, Modern or Easy Fit that suits you the best.

SLIM FIT
This Fit is shaped to the body. To get a semi-fitted look you may buy one size up

MODERN FIT
This Fit follows the shape of the body and provides ease for movement

EASY FIT
This is a Fit with extra ease for movement. The garment falls free from the body

CLASSIC FIT
Follows the shape of body and provides ease for movement, shirt can be tucked into pants or wear out

REGULAR FIT
Follows the shape of body and provides ease for movement, extra length provided to cover the back when bend down. The garment falls free from the body

Please note: Our factories use the most modern and sophisticated machinery to ensure a perfect make and look for all our garments each time. Whilst all effort is made to achieve the exact standards for all our garments each time but it's because of the human content in the manufacturing process that sometime a garment may have a slight sizing variability. We are confident in bringing this range to you and know that the high quality of AIW will continue to impress. Specification measurements in this catalogue relate to the garment dimensions and not body measurements.

Weights & Size measurements are for guidance only as all items are subject to manufacturing variances.

Winning Spirit, AIW and Benchmark believe in Corporate Social Responsibility and giving back to the community. We continue to sponsor the valuable work of the Victoria Police Blue Ribbon Foundation, and support their work in perpetuating the memory of Victorian Police members killed in the line of duty, and their continuing financial support to Hospital Emergency departments and Child Protection units.

Proud sponsor of Victoria Police
Blue Ribbon Foundation

DISCLAIMER:
Whilst every effort is being made to supply garments to our customers according to the specifications provided in this catalogue, we shall not be liable, or accept any responsibility for claims where our products have undergone any value addition processes such as printing, embroidery, etc. It is therefore strongly advised that the purchaser should check all aspects of goods received for correct style, colour, fit, etc. prior to any value addition to these items. Some colours may not appear correctly due to printing limitations.

NOTE:
Specification measurements in this catalogue relate to garment dimensions and not body measurements. All images in this catalogue can not be reproduced without the written permission of the publisher. Colours are reproduced as closely as printing allows.

This catalogue has been printed by an environmentally responsible printer (ISO 14001 accredited); on an ecologically rated printing press using 100% vegetable based inks.
